The Conversion of Paul

We warmly welcome all visitors and newcomers to our church. If any of you are from other denominations and are accustomed to receiving Communion in your own church, you are welcome to here. Please notify a sidesperson if you require a gluten free wafer. For the hard of hearing the church is equipped with a loop system. Switch to T please. The news sheet is for you to retain and use for reference and prayer.

From Saul to Paul

The conversion of the anti-Christian zealot, Saul, to the apostle of Christ, Paul, is clearly related in the reading from the Acts of the Apostles we hear today, but it has to be remembered that this was a beginning.

Saul took some time to become Paul and some time to begin to understand that his call to preach - to both Jew and to Gentile - the saving power of Jesus, the Son of God, was something that was a whole life's journey for him. We will also hear how Paul writes in his Letter to the Church in Galatia, 'God set me apart before I was born and called me through his grace... Three years after (the Damascus Road conversion), I went up to Jerusalem.' The preparation for this moment of his conversion was his whole life. This feast has been celebrated in the Church since the sixth century but became universal in the twelfth century.

In this season of Epiphany and beyond may God help us to follow the example of Paul in bearing witness to the truth of the Gospel manifested in His Son Jesus.
